    Reminder: Local bye-election for ONE vacancy on Buckinghamshire Council covering this ward. Details are on the Parish Council noticeboard and the website.

    The CCTV Camera at the Square is failing. The Clerk has ordered a replacement as the cost of repair with no warranty is similar to the purchase cost(£1700 plus VAT) and therefore replacing it is better value for money. Fortunately it was working sufficiently to assist the Thames Valley Police in their investigation into the recent burglary at the Fish & Chip shop and has provided evidence grade footage admissible in court.

    The Parish Clerk requests spending approval to replace the front and rear doors on the pavilion building which have reached the end of their useful life. The cost of this will be £2940 plus VAT. As the exterior of the Pavilion is being painted this season the replacement will ensure the building will be looking it's best.
