The 2024-2025 budget and actuals to date were reviewed
.
The outlook to 2025-2026 and Parish spending requirements were reviewed based on Councillor inputs received and other known spending requirements

The 2025-2026 budget was approved with Gross Expenditure at £1,563,430 , Gross Income at £1,380,554. The Parish Council were advised that £1,238,779 of anticipated revenue and expenditure depends entirely on receiving the nett new revenue for the Doctors Surgery Project and the Recreation Grounds Projects respectively. No revenue will mean no expenditure on these items at this level. The nett expenditure more closely resembles the PC spending plans without these two line items.

Nett expenditure was set at £182,876

Contribution to reserves was set at £124 (balanced with no draw-down from reserves and only a minuscule contribution to reserves anticipated)

The precept request for 2025-2026 was set at £183,000

The Parish Clerk was thanked by the Members for providing a robust set of backup detail to the headline numbers.

The agreed items will be entered into the Parish Council accounting system by the Clerk.

The Chairman closed the meeting at 20:27
